## Birthday Book Program

2017-2018

The "Birthday Book Program" is a novel way to donate books in celebration of your child's birthday, and our library is enhanced by a lasting birthday remembrance.

A variety of books which the school needs or which students and teachers have requested are available through our library. These books will be available for purchase throughout the school year. The library uses the proceeds from the "Birthday Book Program" to purchase additional books and materials for the Media Center.

A nameplate is placed in the "Birthday Book" with your child's name and birthdate. Please note that summer birthdays may be celebrated anytime during the school year.

Children are delighted to donate a "Birthday Book" which carries their name. In turn, they recommend it to their friends with enthusiasm.

The "Birthday Book" forms for the September birthdays, as well as the June and July birthdays, are being sent home in today's Blue Folder. Thereafter, "Birthday Book" forms will be sent home during the first week of each month.

If you wish to participate, your child will choose a book from an inventory of new books that have been selected based on the needs of our library.

Thank you in advance for your consideration of this program.
