

WALK-A-THON

SEPTEMBER 25th, 2017

The students at Saint Martin de Porres School will be taking a step in the right direction together to raise money for St. Jude's Hospital. What a way to kick off the new school year!

Fundraising: For this event, we will be accepting flat donations. Cash or a check made out to St. Martin de Porres School will be gladly accepted. This event is being hosted by Miss Vaczi's 5th grade class. Each student can fill out the attached fundraising form and return it to school, in an envelope clearly marked "Walkathon" by September 18th. If you have several students in the school, please have each student fill out their own fundraising form. Extra forms can be found on the school website.

Event Details:

- Each class will be participating by walking a course set up on our school grounds
- After each class walks the prescribed course, they will enjoy a class snack together!
- All students will come in wearing the gym uniform on the day of the walkathon
- Any student that raises \$5.00 or more will be given a voucher that will allow them to wear jeans and sneakers to school (date TBA) and will receive a "no written homework pass" as well. The date that it can be used will be on the pass.

If you have any questions, or inquiries, please email Miss Vaczi at ovaczi@smdpschool.net
