

SUMMER EXPERIENCES

TEENS, PARENTS, FRIARS & FAMILIES SERVING TOGETHER

Each shared moment, whether making sandwiches for people in need, sanding a newly built bed to be given to a child without one, or joining hands in prayer, not only enriches the lives of those we aim to assist but also strengthens the bonds and values that form the foundation of our society. Through these impactful opportunities, participants not only give back but also grow together, fostering a legacy of compassion, empathy, and unity that extends far beyond the summer.
